

Searching for a
comfortable, loving,
respectful
atmosphere to care
for a loved one?

Our hospice care will not
only provide comfort to
your family member, but
will help you feel welcome
and informed through the
medical journey of your
loved one.

FOOD

Along with outstanding medical service, our nurses have been trained in culinary arts and will guarantee to serve your friend or family member the best quality food.

Dr. Arnold Macry

Since graduating from IUPUI, Dr. Macry has worked as a pediatric doctor for 28 years.

Dr. Brad Aurthor

Dr. Aurthor specializes in adult care. He has specialized in this care for 7 years, after graduating from University of Indianapolis.

Dr. Tory Beck

Dr. Beck graduated from Purdue University, specializing in elder care. She has currently been working for 12 years as a medical doctor.

OUR PROCESS

Once your loved one has been emitted, the management will ensure the member that all the medical equipment needed within the home will be delivered within hours.
